

## Philosophy and Science for Young Children

Thursdays 9:00am – 3:00pm

**PLAY**-based learning

Exploring **BIG IDEAS**

Deconstructing **INTERESTING** concepts

Responding to **CHALLENGING** questions...

What is fairness? How can we tell what is real?

Does this sound like **your child**?

Would they enjoy joining like-minded peers for one day each week to explore big ideas through stories and science experiments?

The Moerlina School Enrichment Program is led by Early Childhood Specialist, Joanna Fellows-Smith, M.Ed. (Gifted and Talented), B.Ed. (Conversion), Dip. Fine Arts, Ass. Dip. Montessori Ed. (0-9 Yrs.), Dip. T. Early Childhood Education.

It is designed to complement your child's existing Kindy program.
